

Tribal Lands are Tribal Ancestry

Free Indian Wills and Estate Planning

Umatilla, OR - June 29th, 2022

Attorney Roberta Armstrong and her assisting ASU Law Students will be in Umatilla, Oregon on June 29th, helping tribal members with estate planning. **The service is free to tribal members**, and is of increasing importance because of recent changes to federal legislation, the American Indian Probate Reform Act (AIPRA), which dictates how property is distributed following the passing of a tribal member. *Keep tribal lands in tribal members hands.*
